### OVERVIEW:

Continuing a 60-year tradition of commitment to its community, Jerry and Paula De Young established began building in 1974 to help families realize the American Dream of home ownership. De Young Properties has built over 7,000 of the area's finest homes and has enhanced the family's reputation through unsurpassed quality, innovation and customer service. Today, the newest members of the De Young Properties team, Jon Ryan De Young and Brandon De Young, represent the family's third generation and its commitment to extending the legacy of quality homebuilding well into the future.

The company's vision defines and drives its direction and instills the corporate values that stress progress, industry leadership, community commitment and above all, excellence. With corporate offices in Fresno, De Young Properties' employees, contractors and consultants are an extremely motivated, dedicated and knowledgeable team of professionals. Many of them share the De Young family tradition of being leaders in their field of expertise for multiple generations.

From the 1940s to well into the next century, the family behind De Young Properties has focused – and will continue to focus – on one goal...building homes your family will cherish for many years to come. *De Young Properties...Three Generations of Building Extreme Dreams!*
